

Dear Parents/Carers,

Parent Programme

We are really excited to be starting a new programme for parents. We will be working with an amazing team next term and being part of 'The Families Connect' programme which will help to support your child's learning. This will be really fun and give lots of practical ideas of games, activities and techniques that you can use to support your child's learning at home. The programme will run for 8 weeks from the 3rd May every Wednesday from 1:30-3:30pm. If your child uses the bus you are more than welcome to take the bus back home with your child on these days. We only have limited places so if you are interested in being involved then please speak to Jo on Progress Review Day.

Bus

After the Easter holiday, we will be making changes to how we are staffing the school bus. Every morning there will continue to be an ODA staff member on the bus so that you can talk to us about your child and their learning. On the way home Suk, Dave and the B&L Coaches team will be supervising the children. They will drop the children off at the usual time and will bring your child back to school if they have not been picked up by 4:00pm.

Please let us know if you have any questions or queries on any of the above and we look forward to seeing you all on Progress Review Day this Thursday.

Thanks,

One Degree Academy Team
