

Year 1 Graduation

Dear Parent/Carers,

We would like to invite you to the Year 1 graduation assembly on Thursday 14th September at 2:30pm.

It will be an opportunity to support your child with their transition into year 1. We will be doing a lot of work over the next week about how they have earned their tie and how they are role models for our school. This is a very important transition at One Degree and marks a significant step towards their journey to university.

You will be able to talk to Beckie and Puja, who are their new class teachers, and discuss any concerns or questions you have about Year 1. We will also be telling you about some of the other amazing things that we have planned for this term so you can get some important dates in your diaries!

It is important that as many parents/carers are there so if you are not able to attend please send another family member so that every child has a member of their family there to cheer them on!

We look forward to seeing you all next Thursday and we are very grateful, as always, for the amazing support that we get from you all - our amazing parents!

Yours sincerely

Jo Addleton
Assistant Principal
